STREAK-FREE

Streak-Free is an oxygen activated detergent powder for commercial and domestic style dishwashers with built in rinse aid additive.

Streak-Free is specifically formulated for use in all types of domestic and industrial dishwashing machines. It effectively cleans and de-stains a wide range of cutlery and crockery including all plastic ware.

FEATURES & BENEFITS

- Freely Soluble and leaves no gritty residues.
- Contains anti-scaling agents minimising the need to de-scale dishwashers in hard water conditions.
- Oxygen activated with In built rinse aid additive.
- Contains a citrus perfume which Imparts a fresh fragrance during the wash cycle.
- Non chlorinated and safe on all plastic ware.

DIRECTIONS FOR USE

Single Stage & Commercial Machines: Fill machine with fresh hot water and use 1/2 to 3/4 of a cup of Streak-Free Machine Dishwashing Powder. As each rack of dishes is washed, add 1 teaspoon of Streak-Free Machine Dishwashing Powder to compensate for the fresh rinse water addition to the wash tank.

Domestic Machines: Use 1-2 teaspoons per wash. Rinse product contacting surfaces with potable water.

1-2 Teaspoons

SUITABILITY OF CHEMICAL FOR FOOD PREPARATION AREAS

When used as directed Streak-Free is suitable for use in kitchens and food preparation areas.
