### FOAM WASH

RapidClean Foam Wash is a pH controlled, pleasantly fragranced, rich foaming washroom hand cleanser. Its gentle cleaning action will remove most soils including dirt, mud, dust and kitchen residues.

RapidClean Foam Wash contains no solvents and no soap and is based on low irritant, biodegradable surfactants providing a high degree of skin compatibility.

RapidClean Foam Wash contains moisturiser and gentle emollients so skin will not dry out like it can with some hand cleansers.

### DIRECTIONS FOR USE

1. Wet hands
2. Apply 3mL (1-2 pumps) to the hands
3. Massage well into hands ensuring a rich lather
4. Rinse off with cold or warm water potable water and dry

### BIODEGRADABILITY

The surfactants used in RapidClean Foam Wash pass the biodegradability test as set out in AS1792-1976 and are classified as biologically soft.

### SUITABILITY OF CHEMICAL FOR FOOD PREPARATION AREAS

When used as directed Foam Wash is suitable for use in kitchens and food preparation areas.
