HAA497 – Haaga 497 Industrial Sweeper Made in Germany

Haaga sweepers are known for being high quality and easy to handle.

The unique turbo sweeping system has two sets of brushes to pick up even the finest dirt – sweeping twice to capture the dirt directly into the waste bin.

- 4 Year Warranty on brush wear
- iSweep allows the gears to be self lubricating without wear
- Overlaying disc brushes for better performance
- Brush height adjustment to clean various types of surfaces
- Unique beltless drive for durability and ease of use
- Sweeping wet or dry
- Intelligent Airflow System to minimise dust
- Perfect for industrial areas such as workshops, carparks, petrol stations, car dealerships & factories
