NUC244NX – Compact Battery Scrubber

The NUC244NX Compact Battery Scrubber has been designed and engineered with a focus on cleaning areas that cannot be cleaned by walk-behind scrubbers.

Powered by the NX300 lithium ion battery and featuring a high performance digital vacuum motor, the NUC244NX offers users 80mins run time.

All the features of a big scrubber packed into a compact scrubber:

- NX300 battery provides up to 80mins run time with a 60mins quick charge time to 80%
- 1 Year Warranty on Scrubber
- 3 Year Warranty on NX Battery
- Efficient centrifugal water delivery through twin brushes
- Easy to operate
- Park up feature allows users to quickly park the scrubber in an upright position to move obstacles or carry out other cleaning tasks
- Foot operated floor tool eliminates frequent bending
- Counter rotating brushes operate at 140rpm – fast enough for a controlled clean with no messy spray and limits the potential for damage to floor surfaces
