### AUTO HD

Auto HD is a versatile heavy duty degreaser. Its versatility ranges from medium duty engine, chassis and workshop degreasing to light duty cleaning of interiors and upholstery.

Auto HD was developed specifically to clean and degrease engine components as well as other hard surfaces such as floors and walls. It is also suitable for the cleaning of tautliners on trucks as well as mag wheels of all types.

Auto HD contains a special blend of citrus solvents to effectively degrease all surfaces while imparting a fresh orange fragrance during the cleaning process. Auto HD contains a blend of corrosion inhibitors to ensure absolute safety on all metal surfaces, these include mild steel cast, aluminium and galvanised surfaces.
