

# Spotty

## Carpet & Upholstery Spotter

- Fast acting
- Ready to use
- No scrubbing
- Cleans & refreshes

**F6** FLOORCARE

Spotty is a stain remover that uses advanced polymer technology to encase soil on carpet fibres. It offers excellent stain and spot removal and is safe for use on most carpet, rug and upholstery fibres.

Outstanding re-soiling resistance, combined with low VOCs and its nonhazardous GHS classification makes it tough on stains and gentle on fibres.

### DIRECTIONS FOR USE

Always test a small inconspicuous area prior to first use. Areas to be cleaned should be thoroughly vacuumed, preferably with a pile lifting vacuum, before cleaning with this product.

1. Test in a small inconspicuous area for colourfastness using a clean, white towel.
2. Remove as much excess dry or liquid soiling as possible before applying Spotty.
3. Spray affected area with a light foam of Spotty. Wait a few moments, then gently blot with a clean, damp colourfast cloth. Rinse cloth and repeat until surface is clean. Do not overwet the carpet.
4. Vacuum treated area when the carpet is dry.

### HEALTH AND SAFETY STATEMENT

There is no way of predicting an individual's response to cleaning or disinfecting products. All cleaning and disinfecting products have potential to cause skin and other irritation in susceptible individuals. Direct physical contact with the skin should be avoided. If irritation does occur when using this product or any other cleaning/ disinfecting solution then the individual should be removed from direct contact with the solution until a satisfactory safe working environment for that individual is determined.

### SPILLS

Hose and wash area with copious amounts of water. The use of personal protective equipment is recommended.

### SAFETY DATA

For further information refer to the Safety Data Sheet (SDS)

PRODUCT USE	DILUTION RATE	APPLICATION
